RESPONSE TO ELECTION OF SPECIES REQUIREMENT

Hon. Commissioner of Patents
Washington, D.C. 20231

Sir:

In response to the election of species requirement mailed April 9, 2002, Applicants elect Species II, the species of Figs. 3A and 3B, with traverse. The inventions of Species I and II are sufficiently related so that a search of both Species would not represent an undue burden on the Office. Claims readable on Species II are claims 1-42.

It is believed that no fee is due. If the amount submitted herewith is incorrect, please charge any deficiency or credit any overpayment to Deposit Account No. 07-1969.

Respectfully submitted,

Tamala R. Jonas
